Summer Camp 2022

We have a wonderful summer camp program which is a great blend of arts & crafts, outdoor fun, water play and special guests. Our unique programs have been praised by the community.

Our indoor facility is air conditioned for the children to cool off on hot days, a playground to enjoy climbing and sliding, paved play space for bike riding and chalk doodling and a grassy yard for pony rides, dinosaur digs, sprinklers, Slip 'n Slides and picnics!

Enrollment is weekly and each week is a new exciting theme with special guests!

Summer Camp 2022

Week 1: Monday, June 13th through Friday, June 17th

Zoo and Animal Week

Animals will be our focus this week. The children will make animal masks, construct a Zoo map and make necklaces with animal beads. Children will make animal puppets. A visit from either a petting zoo or an animal specialist will cap off our week.

Week 2: Monday, June 20th through Friday, June 24th

Beach Week

The ocean and the beach will be the focus of this week. Children will make sun visors, picture frames decorated with seashells and sea creatures, sand art will also be featured. Ice Cream Sundae Day will only add to the fun. Water play, bubble play and a visit from Rockness music will complete our week.

Week 3: Monday, June 27th through Friday, July 1st

Dinosaur Week

This week will involve activities centered on dinosaurs. The children will go on dinosaur egg hunts, paint dinosaur footprints, make dinosaur fossils, and construct a dinosaur book. Dinosaur classification will also be a feature of this week.

Week 4: Tuesday, July 5th through Friday, July 8th

Nature Week (Camp closed on Monday, July 4th)

Flowers, bumblebees, and bugs will be our focus. Children will plant a garden on our playground. They will construct their own "bug boxes", paint ladybug rocks and construct sun catchers. Terrariums will be constructed by the children. "Dirt Pudding" will be featured as a special treat.

Week 5: Monday, July 11th through Friday, July 15th

Space Week

5..4..3..2..1..blast off to outer space. Children will learn about stars, planets, and the moon. Children will become astronauts and help make rocket ships. We will make new friends with aliens while exploring together. After a long journey, we will end the week with an icy treat.

Week 6: Monday, July 18th through Friday, July 22nd

Camping Week

We will explore creatures of the forest through books and art. Our expedition ends with a make-believe camp out. We will make S'mores, sing songs and tell stories around our custom made kid-proof campfire. Tents will be set up on our lawn to recreate the feeling of a real campground.

Week 7: Monday, July 25th through Friday July 29th

Create a Masterpiece

Calling all future artists! Prepare to get messy as we explore the world of color. We will be experimenting with various mediums such as paints, chalk, pastels, sculpture, collage, mosaics and more.
