Summer Camp 2026

Week 1: Monday, June 15th through Friday, June 19th

Sports Week

This week will be filled with fun team activities, teaching children confidence and team spirit. Children will be exposed to various sports such as soccer, basketball, golf, nerf ball and relay races to name a few. Visits from Little Ballers will help give the children a playful introduction to sports and physical education, while fostering teamwork abilities.

Week 2: Monday, June 22nd through Friday June 26th

Space Week

5..4..3..2..1..blast off to outer space. Children will learn about stars, planets, and the moon. Children will become astronauts and help make rocket ships. We will make new friends with aliens while exploring together. After a long journey, we will end the week with an icy treat and a visit from Pearl Observatory.

Week 3: Monday, June 29th through Friday July 3rd (closed Friday July 3rd)

Patriotic Week

Join us as we celebrate America's 250th Anniversary with a week full of red, white and blue fun! Campers will explore patriotic themed sensory activities, creative art projects, music, movement, and games inspired by our nation's history and symbols. From messy, hands-on play to star spangled discoveries, this week is all about celebrating America in an exciting and engaging way.

Week 4: Monday, July 6th through Friday July 10th

Zoo & Animal Week

Animals will be our focus this week. The children will make animal magnets, construct a Zoo map using foam animals and make necklaces with animal beads. Children will make various animal tracks that involve foot stomping fun. We will make animal masks, clay animals and bird houses. We will have face painting animal fun and end our week with a visit from Eyes of the Wild petting zoo.

Week 5: Monday, July 13th through Friday July 17th

Ocean Wonders Week

The ocean and the beach will be the theme of this week. Fun in the sun with a focus on water activities and building sandcastles. Beach themed crafts such as making bracelets, painting seashells and decorating sun visors will be included. Picture frames decorated with seashells and sea creatures will also be featured. A special visit from Touch a Tank will end the week.

Week 6: Monday, July 20th through Friday July 24th

Mad Scientist

Children will become detectives, junior scientists and engineers this week. They will be amazed by glowing liquids, messages written in secret code and mystery substances that change from solid to liquid in seconds as they perform various hands-on experiments. This week will cap off with some gooey homemade slime and a visit from our very own Montessori Scientist, Ms. Patti.

Week 7: Monday, July 27th through Friday July 31st

Carnival Week

Campers will enjoy traditional carnival games with fun prizes, hands-on arts and crafts inspired by the big top and vibrant face painting to transform into their favorite carnival characters. Kids will snack on themed carnival treats and go wild at our Jungle Safari Dance Party, filled with lively music and playful animal moves. A visit from The Wonderful World of Bubbles and the Ice Cream Truck will finish off this last week of camp.
